5.2. Terms of Office. The term of office for a Board Trustee shall be four (4) years except as otherwise provided in these By-Laws. The terms of office for all Trustees shall begin on the day of their election and shall conclude upon the day of the annual meeting at the end of their term when a successor has been elected. The Trustees shall be divided into four classes. Trustees shall be apportioned among the Classes as nearly equal in number as possible. To effectuate this provision, a Trustee may be elected for less than four (4) years or, with the Trustee's permission, a Trustee's term may be shortened. The term limit for Trustees is three consecutive four (4) year terms. On a case-by-case basis, Trustees who are committed to serving additional terms may do so with board approval and bring institutional history and value to the board.
